

DrosAfrica WORKSHOP

11th-13th October 2021
Virtual, Ghana

***Drosophila*: A Simple, Yet Powerful Model For Biomedical Research**

Introduction to *Drosophila* genetics and development; *Drosophila* as a model system for the study of Nutrition; Circadian rhythms; human diseases, such as Cancer and Neurodegeneration, and Drug Discovery;
Career advice

Nobel Laureate
Prof. E. Wieschaus
(Princeton, USA)

Nobel Laureate
Prof. M. Rosbash
(MA, USA)

Prof. Ross. L Cagan
(Glasgow, UK)

Prof. C. González
(Barcelona, Spain)

Dr S. Casas
(Madrid, Spain)

Dr. L. García
(Alicante, Spain)

Dr C. Ribeiro
(Lisboa, Portugal)

Dr H. Badmos
(Liverpool, UK)

Dr K. Roper
(Cambridge, UK)

Dr A. Abolaji
(Ibadan, Nigeria)

Dr P. Langton
(Bristol, UK)

Dr R. Abdulazeez
(Zaria, Nigeria)

Dr M. Gbadamosi
(ICGEB, Italy)

Opening remarks and welcome speech by Prof. Aba. A. Amfo (Ag.VC, UG, Ghana), Prof. J. Fobil (Provost, CHS, UG) and Prof. D. Yeboah Manu (Director NMIMR, UG)

Deadline for registration:
30th September

More information and registration at:
<http://online2021.drosafrika.org>

Organizers:
Dr I. Palacios, E.J. Ferizaj, A .H. Elamradi
Dr M.D. Martín-Bermudo
Prof. R. Cagan, Dr J.E. Casal
Prof R. Appiah-Opong and Dr M. Chama
